Raise the Roof with Habitat for Humanity Lakeside is an annual fundraising event benefiting the mission of bringing people together to build homes, communities, and hope. Our goal is to raise more than \$60,000 at this event to support our affordable housing programs in Sheboygan County.

When you donate to Raise the Roof, you don't just help local families achieve their dream of home ownership, you raise awareness of your business. Your organization will be promoted to all attendees at the event and highlighted in our pre-event social media posts, which will showcase all sponsors and the great items donated for auctions and raffles. In addition, you will receive recognition post-event in our recap posts and blog.

We are seeking support in the form of monetary donations and/or donation of items for use in our silent auction, live auction, raffles, and dessert auction. Thank you for your support of the Habitat for Humanity mission.
